WHAT we deliver

A global presence

We have **teams across all of the key insurance hubs and jurisdictions** acting as one team worldwide that can ensure seamless service wherever clients need.

Market reputation

We are proud of our **long-standing relationships with multinational life and non-life (re)insurers, Lloyd’s entities, intermediaries, banks, capital providers, regulators** and other insurance industry participants.

Cross practice team

When the need arises, our specialists **will team up with experienced lawyers with knowledge in:**

- Asset Management
- Corporate M&A
- Data privacy
- Disputes and claims
- Technology
- Employment
- Financial Services
- Outsourcing

Navigating the regulatory environment

We maintain close working relationships with key regulators and industry bodies at both local and global level, so that **we can keep our clients abreast on new regulatory development as they arise.**

HOW we deliver

Strong strategic judgement

We provide our clients with **commercial and tactical solutions** across all insurance-related issues.

Our advice is assured, grounded in the knowledge and experience of our cross-practice global team.

Trusted advisors

We place our clients at the centre and invest our time to understand their business. We maintain **regular streams of communications** on key development and ensure the timely identification of issues and patterns.

Clients trust us to **deliver the best commercial outcomes**.

Excellent service delivery

We deliver confident opinions across all core classes, ensuring the **highest level of quality and consistency**.

We are keen to meet clients' expectations also as regards costs by means of **always competitive traditional and alternative fee structures**.

Strong values and culture

We are a **people-oriented firm, committed to promote equality** through a widely spread inclusive culture and to achieve our ESG goals.

We strive to underpin each of our actions and relationships, both internally and externally, with **the firm's values**, which are to be:

- **supportive**
- **collaborative**
- **bold**
- **exceptional**
